## **CONSERVATIVE CHRISTIANS OF TENNESSEE (CCOT) ENDORSES PATRICIA POSSEL FOR TENNESSEE DISTRICT 96 HOUSE SEAT**

Conservative Christians of Tennessee (CCOT) is pleased to endorse **Patricia “Patti” Possel** for the 96th District Seat in the Tennessee House of Representatives.

CCOT’s endorsement of Mrs. Possel is based on:

1. her stated view that life begins at conception,
2. her record of consistent, constructive work regarding the right of municipalities and other forms of government to self-determination (home-rule),
3. her strong, stated support of the Second Amendment without reservation,
4. her support for educational vouchers for both private and homeschooling scenarios.

Mrs. Possel stated to us firmly that “life begins at conception and ends when God calls us home.” In an era in which so-called conservatives are wavering in their anti-abortion, pro-life efforts, consideration of this issue is of primary importance when CCOT considers candidates.

Mrs. Possel has worked since 2011 towards the end of deannexing recent forced acquisitions in Shelby County by the City of Memphis that have led to decreased service levels (including police and trash removal) despite the increase in taxes accompanying the acquisition.

When we spoke to her regarding the Second Amendment, Mrs. Possel stated that the point of the amendment was for citizenry to have personal arms equivalent to or superior to the military, since the amendment exists primarily to guarantee the freedom of our nation from tyranny.
